

OPEN WATER SPORT CHAIR

Introducing the Open Water Sport Bench – a luxurious helm bench available in two- and three-seater options. Every design element, from the diamond quilting to the armrests, was carefully crafted to provide boaters with a fantastic helm bench experience. The Open Water Sport Bench features two or three equally sized bolsters – giving boaters the option to securely stand and steer while leaning against the seat. The bolsters also feature hidden hinges that eliminate dangerous pinch points. Select models include one or two stainless steel Type-304 cup holders strategically placed in the inside armrest(s). All models features Type-316L polished stainless steel outside armrest brackets. The seat back design includes sporty cutouts that allow for breathability and style.
