

INSTALLATION GUIDE

TACO CANVAS TOP (T30-0001BLU-1; T30-0001BLK-1; T30-0001WHA-1) *Installation Instructions for use with TACO's Neptune T-top (T34-1000BSA)*

- 1) Stretch out canvas top with the ratchet facing up.
- 2) Release buckle by opening the buckle to full extension and pulling down on the ratchet lock.
- 3) Unspool the strap from the buckle.
- 4) Place the Canvas over the T-Top ring with the strap side down and the buckle on the forward starboard side. Make sure all the corners of the canvas are aligned with the corners of the ring.
- 5) Tighten the ratchet, before the strap is fully tightened pull on the buckle to align it with the Velcro pouch sewn into the canvas top.
- 6) Finish tightening the ratchet until the canvas is taut, and seal the Velcro pouch.
