

## RIGID VINYL WITH NO INSERT

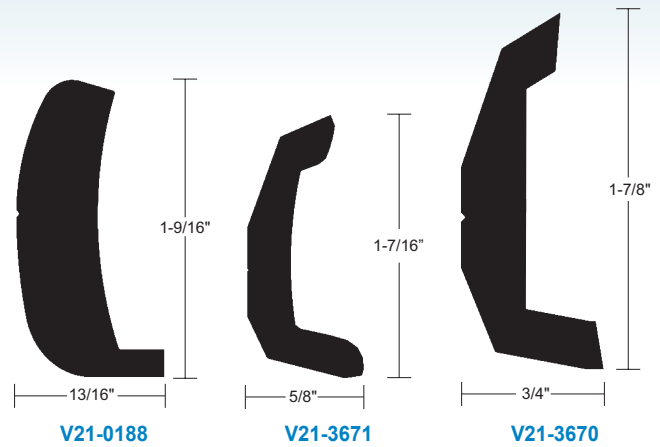

Rigid Vinyl Rub Rail with no insert tightly forms to the boats' contours and has exceptional lasting qualities in the most adverse conditions. This selection is specifically designed for larger boats up to 50'.

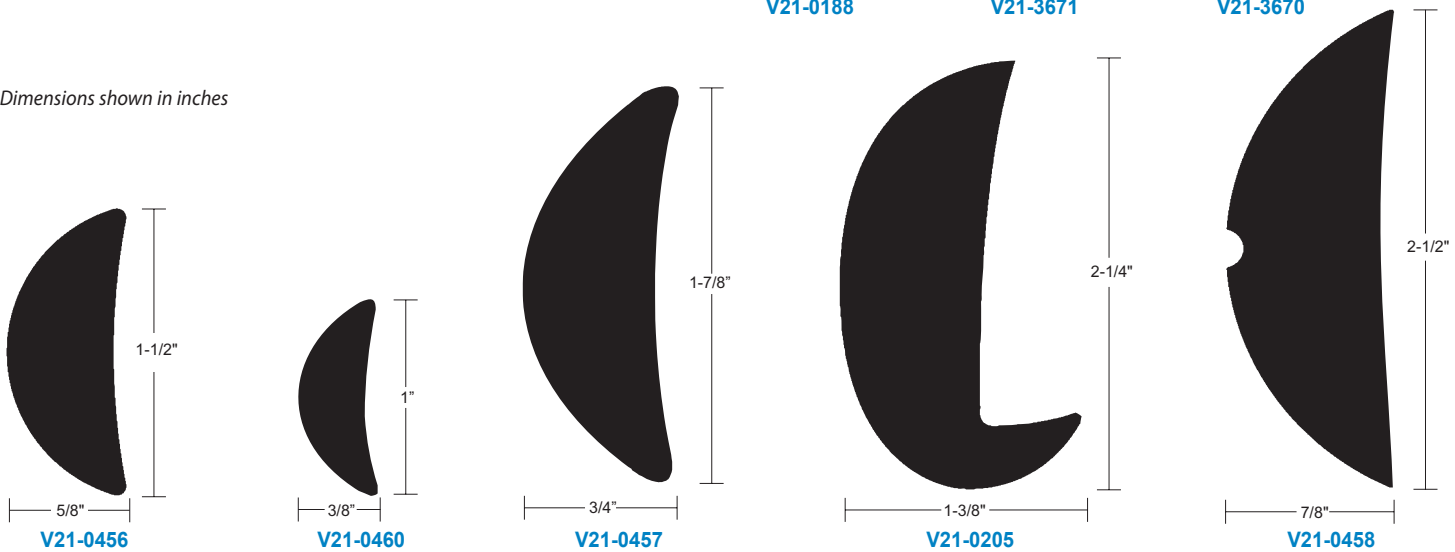

### FEATURES & BENEFITS

- Color and gloss levels matched to gel coats blending Rub Rail with hull and deck
- Requires heat for radius forming
- Cuts and drills like wood
- Designed for use without an insert
- Provides good basic protection
- Ideal for workboats up to 50'
- Drilled and countersunk on 6" and 8" centers
