## F40-0030 Outrigger Line Caddy

Now an easy way to manage outrigger lines while on board. With TACO's new clamp-on Outrigger Line Caddy, anglers have an easy way to store line while outriggers are rigged and in the retracted position. By simply clamping the pair of outrigger line caddy ears onto the outrigger pole at the desired distance, the excess rigging line is wrapped around the outrigger caddy ears to keep lines neat and orderly.

### Features:

- Clamp on assembly
- Sold in pairs
- Fits standard 8', 12', 15', 18' (1-1/8" and 1-1/2" ) outriggers
- Durable black nylon

### Benefits:

- Easy clamp-on installation
- Designed to fit all standard outrigger sizes
- Durable to withstand the marine environment
