

CAPTIVA HELM CHAIR

Taco Marine is recognized for supplying quality, engineered marine chairs with readily-apparent workmanship and style. Taco Marine's chairs are constructed from strong, corrosion-resistant materials and carry a 3-year warranty. Adding to the success of the Capri and Coastal Helm Chair series is Captiva. The Captiva Helm Chair series is a single, comfortable 23" size helm chair that provides simple yet stylish application.

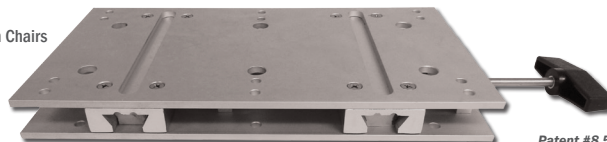

FEATURES AND BENEFITS

- Ergonomic design for maximum comfort on long trips
- Durable marine grade components and materials
- Built to meet H31 seat category requirement
- 23" size allows multiple chairs side-by-side
- Pleated inserts provide a stylish look
- Folding armrests and hinged bolster pad standard features
- Polished stainless hardware and non wood construction
- Matches with Taco Marine seat slides for passenger adjustment
- Custom two-tone options available, white base with color insets or color welt and piping
