

## BIG GAME POLY ROD STORAGE CART

Taco Marine wants to make it easy for customers to safely store their light and medium tackle spinning, casting and conventional rods and reels. This lightweight, high-density polyethylene rod cart is ideal for indoor or outdoor use with convenient locking casters for quick mobility. The poly rod cart can also be used as a washing station for rods and reels. Easy assembly makes this cart perfect for both storage and display purposes.

### FEATURES & BENEFITS

- High-density polyethylene
- UV-stabilized, marine-grade 1/2" White Polymer
- Designed for spinning, casting and conventional reels
- Accommodates all sizes of rods and reels
- Dual slot separation spreaders provide support under slant boards for heavier 30, 50 and 80 lb. Big Game rods and reels
- Convenient rod and reel wash or rigging rack
- Designed for indoor or outdoor use
- Locking casters offer easy mobility along with firm, secure hold when needed

Dual spreaders provide support under slant boards for heavier Big Game rods and reels
