

CANVAS UPHOLSTERY CLIP

TACO Marine offers a clip that is ideal for mounting cushions, bolsters and other upholstered marine seating to benches. This clip can be used in recreational or commercial vessels and is designed to align with existing holes eliminating the need to re-drill for installation.

FEATURES & BENEFITS

- Ideal for holding upholstery cushions, bolsters and panels securely in place.
- Type-304 stainless steel with polished finish
- Tumbled to remove burrs and sharp edges to protect upholstery during installation
- Offset for use with 1/4" substrate material
