

ALUMINUM TELE-SUN SHADE POLES

Wherever you are onboard, ShadeFin[®] can follow! Introducing the Telescopic Rod Holder Accessory for ShadeFin[®] - a versatile attachment option that inserts into standard gunnel rod holders for portable, adjustable boat shade. Made from high-quality, lightweight anodized aluminum, the Telescopic Rod Holder Accessory extends from 42" to 67" tall - elevating ShadeFin[®] over the deck for boaters to comfortably stand underneath. For boaters at the dock, sandbar or in the water, the Telescopic Rod Holder Accessory can also be adjusted to position ShadeFin[®] over the side of the boat - keeping you protected from the sun.

FEATURES & BENEFITS

- Features Sure-Grip Knob at the joint with a secure Pull Pin Lock for 0°, 15°, or 30° upward angle positioning
- Throw latch secures height adjustment from 42" to 67" and 360° rotation
- Features solid aluminum gimbal butt and internal Delrin bearings
- High-quality drawn aluminum tube
- Pairs with T10-3000-5 or T10-3000-6 at the top, sold separately

WARNING:

This product can expose you to chemicals including Di (2-ethylhexyl) Phthalate (DEHP), which is known to the state of California to cause cancer, birth defects or other reproductive harm. For more information, go to www.P65Warnings.ca.gov.
