

ALUMINUM TELE-SUN SHADE POLES

Extend your time on the water and at the sandbar with the Aluminum Tele-Sun Shade Poles! Made from strong, lightweight drawn aluminum tube, the Tele-Sun Shade Poles are easy to install and stow – maximizing time and fun on your boat. Simply insert the poles into your boat's rod holders, secure a sun-protecting fabric to the boat top, attach the fabric connector to the poles and extend the poles into position. The Tele-Sun Shade Poles can be mounted to the front or rear of your boat, depending on your preference, and telescope from just over 44.6" to 69.37" tall.
