

SKYWAY DELUXE HELM

Experience unmatched comfort and durability with the Skyway Deluxe Helm - designed to elevate your boating experience. Featuring upgraded stainless-steel framing, this chair minimizes deflection, ensuring long-lasting support even in the toughest marine environments. The Skyway Deluxe Helm is available with a solid teak armrest assembly and hinge cover accent, offering both style and strength. This premium captain's chair is equipped with an upgraded exterior stainless-steel bolster actuating bracket for enhanced reliability. Made in Largo, Florida, USA, the Skyway can be customized with a wide variety of color combinations and quilt patterns for boat builders - allowing you to match your boat's aesthetics perfectly. Upgrade your boat with the Skyway Deluxe Helm - where comfort meets performance.
